## **What is the EIS Foundation?**

The EIS Foundation is a 501(c)(3) non-profit organization that provides & manages financial support for Eisenhower's international & language immersion program by providing our teachers, staff & students with additional resources.

## **Why do we have a foundation and a PTA?**

The EIS Foundation is separate from, yet complementary to, our EIS PTA. Unlike the PTA, which operates on a yearly budget, the EIS Foundation is charged with raising money for specific projects.

## **What does the foundation do?**

Some of our current projects include keeping our school International with French & Spanish native speaking Language Coaches, support for our International Interns, Foreign Language Substitutes, Student Exchange Scholarships, overseeing the Culture Box Program with Tulsa Global Alliance, managing grants, among other beneficial endeavors.

The EIS Foundation also manages an Endowment for Eisenhower's long-term needs, as we are the only means the school has of "saving for the future".

## **Who makes up the foundation?**

We are made up of current & past EIS families and the Tulsa community who support EIS and language immersion education through memberships and donations.

We have a slate of Board members elected by EIS Foundation members.

## **How can your family support the EIS Foundation?**

Become an EIS Foundation member (dues are \$25 for an Annual Member or \$250 for a Lifetime Member) or make a tax deductible donation.

Contact an EIS Foundation board member if you have any questions.
