Art Contest

A visual, literary, musical and performing arts program
sponsored by your local, state and national PTA

Reflections is an annual arts contest sponsored by the national PTA. Children are eligible to win awards at the school, state and national level. In the past few years, EIS has fared well at the state level and we are hoping for our first national winner! Children have until November 19th to submit their artwork in one of six categories: 1) photography; 2) visual arts; 3) dance choreography; 4) musical composition; 5) film/video production; 6) and literature. There are two age groups as well, K-2 and 3-5. For detailed information, see the Reflections kiosk outside the gym or contact Mrs. Murray.
